

CORVA ANNUAL MEETING 2010

Our Annual Meeting will take place on Saturday, May 15th in Bakersfield. All members are invited to attend and if you're current on your dues (check the mailing label on your newsletter) you will receive a postcard announcement with more information. One of our bylaw changes of 2007 created a staggered board. We have 3 offices on the Association board due at this time. Those offices are; Vice President - Administration, Vice President - Education and Treasurer. Each of those positions will serve a standard two year term.

If you're not able to attend and not part of a CORVA Club, you can still cast a vote. Please read the qualifications of a non-club delegate below. A few members were unable to vote previously for all they came to represent due to the requirements below. The key here is ten or more. From our bylaws;

Qualifications for Non-Club Delegates:

- A. Any group of ten (10) or more Non-Club members may be represented by one (1) delegate and/or one (1) alternate.
- B. Each Non-Club delegate will have one (1) vote for each member they represent who is a member in good standing in CORVA.
- C. Each Non-Club delegate must present to the CORVA Secretary, prior to the close of registration to an Association vote, a petition signed by all members they represent. This signed petition is to be valid for that session only.

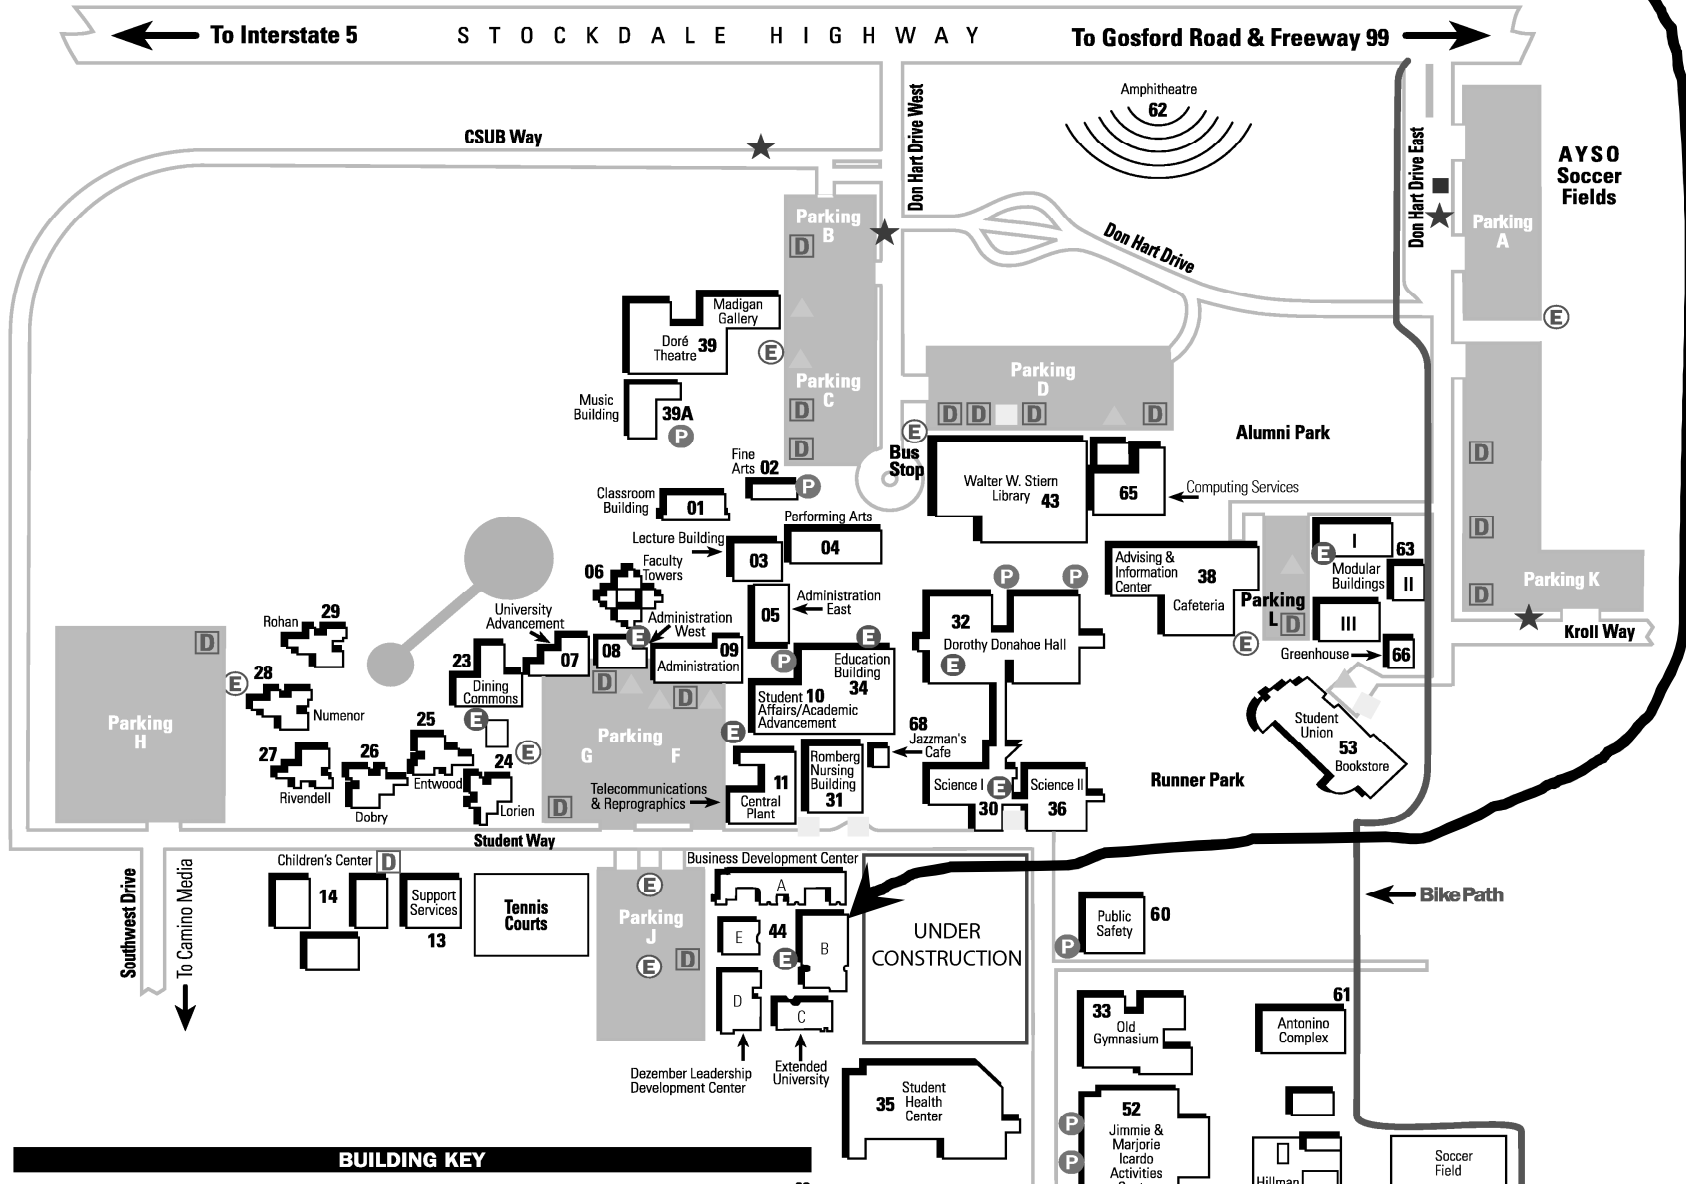

So delegates, please make sure you have ten or more currently paid members to represent.

Registration will begin at 9:30am and the Annual Meeting to start at 11:00am. We hope to see you there.
