

# HUNGRY VALLEY

State Vehicular Recreation Area General Plan Update + EIR

## We want to hear from you!

We are continuing our efforts to gather input on Hungry Valley SVRA. We would like to invite you to attend one of four public workshops for the Hungry Valley SVRA General Plan Update. This is an opportunity for us to gather more information from you, our visitors, on what you think of the park now and what changes you would like to see in the future. The public workshops will be held in an open house format, so you can come by any time and stay as long as you'd like! All four workshops will be set up identically.

## Can't Participate in Person?

If you are not able to participate in the visitor surveys in person at one of our four workshops, you can still provide your input on the Hungry Valley SVRA General Plan Update! Our visitor survey will be re-opened during the period of February 15<sup>th</sup> through February 28<sup>th</sup> at [www.PlanHungryValley.com](http://www.PlanHungryValley.com). When the survey is live, there will be a link available on the homepage. Please forward this email to friends and family that visit Hungry Valley SVRA, so that they can provide their input too!
